Developing a user interface for receiving payments.

Steps:

1. Create, edit, select billing account.
2. Choose a payment method.

 Cost calculator:

1. If paid by PayPal then amount includes VAT and commision.
2. If paid by Credit Card then amount includes only commision.
3. If paid from the Balance then amount without VAT and commision.

Description:

Below are the sketches. It is not necessary to follow them. You can make your own implementation.

You need to use the **react/redux** and **material design**.
